

LOVE POTIONS WITH ESSENTIAL OILS & HERBS

With

Kris Gurky of Dark Moon Salem

Scents and herbs can have a powerful affect on our bodies, minds and hearts when blended correctly. The secret to creating a love potion is a little intuition, along with the correct combination of oils & herbs to achieve a desired outcome.

In this fun hands-on workshop, we'll explore essential oils and herbs that invoke love and romance. We will discuss different essential oil blends for desired amorous intents and each participant will create a custom blended love potion to take home. Herbal love elixirs will be available for sampling to keep the love flowing.

Whether you wish to draw love into your life, ignite a flame that has fizzled, or would like to create a delicious scent for yourself --this fun and informative workshop is for you!
